WORK IS HELD UP

Repairing of Belle Vernon Bridge Moving Along Slowly

Work has been proceeding slowly on the repairing of the Belle Vernon and Speers free bridge, partly from lack of a sufficient force of men and partly because of poor conditions. The Speers ends is ready for the filling-in. On the Belle Vernon end is where the big snag was struck. When the bridge was built some 17 years or more ago it is said that several feet of ground was confiscated from property of Abraham Culler.

When the contractor repairing the bridge started to widen the approach J. B. Culler objected. For ground that was needed he asked \$1,500. The county commissioners demurred, but agreed to pay \$500. Culler dropped \$300, landing at \$1,200, with still no results. Finally the commissioners of the two counties managed to strike a bargain with him at \$1,000. Work is now proceeding on the widening of the approach.

Belle Vernon people claim that the bridge was closed before it was necessary to close it, and that it will not likely be put into use before spring, if then.

MEETINGS GROW IN INTEREST

The evangelistic meetings in charge of Evangelist F. A. Bright, now in progress at the First Christian church grow in interest as they progress. A large congregation was in attendance last night, at which there were three accessions to the church, making 18 since the beginning of the meetings on November 17. Rev. Bright preached a powerful and convincing sermon on "The Prodigal Son," and his topic tonight will be "What Shall I Do to Be Saved." On Thanksgiving night the services will commence at 7 o'clock in the evening, in order to give the congregation an opportunity to attend the union Thanksgiving services later in the M. E. church.

Churches Back Movement.
That the churches of Monongahela will stand behind the ordinance officer in the enforcement of the Sunday observance laws was fully demonstrated Sunday, when a raising vote was taken in the evangelical churches of the city on the matter. There was practically an unanimity of sentiment among the church goers for the better protection of the Sabbath.

"A Measuring Social is given to you 'Tis something novel as well as new; Two cents for every foot you're tall. Measure yourself on door or wall. An extra cent for each inch give, And thereby show how high you live. With music and song, recitation and pleasure, We will meet one and all at our "Social of Measure."

Progressives Honor Temple

Over 200 persons attended a banquet at Washington Monday night held by the Washington party complimentary to Dr. H. W. Temple, congressman-elect. Representative men from all over the twenty-fourth district were present. Owen C. Underwood was toastmaster and toasts were given by Robert K. Aiken of New Castle; Dr. C. L. Swift, of Beaver Falls; John C. Dight, of Butler; County Chairman A. L. Phillips; George A. Baldwin, Esq., of Beaver; State Senator George T. Weingartner, of New Castle; T. B. H. Brownlee; Rev. H. N. Cameron; Rufus Morrison; Auditor General-elect A. W. Powell, of Pittsburgh and Dr. Temple. Present from Charleroi were John H. Frye, John H. Bowers, Guy Moffitt, Esq., and J. K. Brumbaugh.

MANY AT FUNERAL OF MRS. FISHER

The funeral of Mrs. Phoebe Jane Fisher, wife of J. A. Fisher of Lock View Terrace who died the latter part of last week was held on Sunday, and a large crowd of friends were present to pay their last respects. Mrs. Fisher died from a complication of diseases after an extended illness.

Services were conducted by Rev. John R. Burson, of the Washington Avenue Presbyterian Church. Interment was in Monongahela cemetery. The pallbearers were girl friends of Mrs. Fisher. They were Misses Elsie and Florence Crill, Miss Ina Kline, Miss Blanche Frye, of Charleroi; Mrs. Charley Fortney, of North Charleroi; and Miss Mabel Colvin, of Monongahela. Beautiful floral tributes were sent by loving friends.

BOYS SET FIRE TO LARGE WOODS

Boys chasing around through the woods Sunday set fire to a wood lot on the Rodgers farm near town which burned over about two acres, destroying several rods of rail fence, and damaging a large number of small second growth forest trees that had got ten or fifteen years growth. John S. Rodgers states that it took hard work until after midnight after the fire was discovered to beat it out, and that as the parties are known he proposes to place the matter in the hands of the state constabulary in order to secure protection to his property.

ESCAPES FROM THE HOSPITAL

Crazed With Pain Donora Boy Gets Away And Cannot Be Found

Search is being made for 16-year old Mike Hosack, who is thought to be wandering about over the hills somewhere, or else lying dead in some out of way spot. The lad was taken to the Memorial Hospital, at Monongahela, from his home in Donora several days ago, his thumb and two fingers of his right hand severed. While at the hospital, he mentally gave way, and he escaped Saturday night. Since then he has not been seen. Meanwhile his parents, Mr. and Mrs. Theodore Hosack are frantically searching for him, having invoked the aid of the police in many places. The boy is described as being of the ordinary size of a lad of his age. He has dark hair.

WILL LECTURE ON THE DAKOTAS

George Eason will speak to the young men and women of St. Mary's Episcopal church at 8 o'clock this evening in the Sunday school room on the topic, "Reminiscences of the Dakotas in Territorial Days." Mr. Eason was a resident of the Dakotas for a number of years during that eventful period, and has ample material for a most interesting address. Light refreshments will be served and the public is cordially invited to attend. No admission is charged.

WAS POPULAR AS EDUCATOR

Deserved Compliment Paid to the Late John A. Snodgrass

The death of Prof. J. A. Snodgrass, former principal of the Charleroi schools at his home in Pittsburgh on Monday has caused profound regret among his friends in Charleroi. Several floral tributes have been sent from here, among them one by the Charleroi High School Alumni. The funeral services will be held at the family home tonight, and the body will be taken Wednesday to West Middleton, where interment will be made.

Prof. J. S. L. Heeter, superintendent of the city schools, expressed profound regret upon learning of the death of Prof. Snodgrass.

"I had known Prof. Snodgrass only since coming to Pittsburgh within the last year," said Prof. Heeter, "but in that short period had conceived a high regard for his abilities as an educator. His death is a matter of deep regret to all who knew him."

Prof. Heeter this morning ordered the Luckey schools closed for two days out of respect for Prof. Snodgrass.

LOCAL GIRL BRIDE OF DONORA MAN

Miss A. Nell Jones, daughter of Mr. and Mrs. William H. Jones of 410 Tenth street, was married in Pittsburgh Monday to Harry J. Richmond, of Donora. The affair came as a surprise to the friends of the couple. Miss Jones left on a morning train for Pittsburgh Monday, ostensibly on a shopping tour. It seems she was met at Donora by Mr. Richmond, and they proceeded to the home of Rev. H. J. Giles, pastor of the West End M. E. church, at Pittsburgh, where they were married. Announcements of the wedding were issued this morning by the bride's parents. Mr. and Mrs. Richmond will live in Donora.

FOUR-YEAR-OLD IS VICTIM OPEN GRATE

The four-year old daughter of Mr. and Mrs. Nelson Jackson, colored of McMahon borough was burned to death Monday. She was left alone by her mother in a room. Her dress took fire at an open grate and before the blaze could be extinguished she had received her death injuries.

AN EXPLANATION.

I wish to explain to the public of Charleroi and vicinity just why we are not showing the three reel film entitled "Tracked By Wireless" on Thanksgiving day as advertised and intended as our bookings called for. But rather than enter a suit for damages with The Feature Film Company we made an agreeable settlement being allowed damages for our advertising and by them securing us a superior show, consisting of a three reel Kay Bee entitled "On Secret Service" with other pictures and the "Drummer Boy of Shiloh" which we positively guarantee to be a far superior show than "Tracked By Wireless" would have been. Hoping to disappoint no one, you will find us at the Star Theatre Thanksgiving day and night with a continuous performance from 10 a. m. to 10:45 p. m. Regular admission of 5 cents. Tom B. Cowan, Manager. 107-t1

Prepare For Tea Party

Everything is in readiness for the annual Thanksgiving Eve Tea Party of St. Jerome's church tomorrow night, which has been a leading event in church circles for a number of years at this season. The supper will be served in Turner Hall from 5 to 8 o'clock, and the committee announces that no baskets will be given out after 5 o'clock. The euchre to be held in connection will begin at 8:30 and continue until 11 in the parlors of the Turn Verein club house. Dancing, which is included in the tickets of admission will take place at Might's auditorium on Fifth street, and will be continued from 8 to 1 o'clock. Notwithstanding the high price of turkeys the committee has secured an ample supply, and the supper will be a most sumptuous affair.

The Lyceum Club of St. Jerome's church will also give a dance in Might's Auditorium Thanksgiving afternoon and evening. Wheeler's orchestra will officiate at both dances, Thanksgiving eve, and Thanksgiving afternoon and evening.

PARALYTIC DOES MUCH TRAVELING

William W. Gaff, a young man suffering from rheumatic paralysis and unable to use his lower limbs and right arm is a visitor in Charleroi. He came from Monessen in his wheel chair, with which he has covered 25,000 miles during the past five years. He is selling post cards and souvenirs in an effort to collect money to go to Germany for medical treatment, where he believes he may be cured of the affliction which makes him a cripple. He lives in Toledo, O. Notwithstanding his affliction, Gaff has a most jovial disposition and is an interesting talker. He has visited many states in the union in his wheel chair journeys, and has had many interesting experiences. He expects to remain in town until after Thanksgiving.

SMALLWOOD RUNS AGAINST TWO MEN

Another large crowd saw Percy Smallwood defeat Carl McGuire and Charles Lowstutter Monday evening at the Charleroi Skating rink in a one-mile relay race. Smallwood showed perfect form. The time was 4:58. The race caused lots of excitement, enthusing the big crowd present, on account of Smallwood running in an opposite direction to the two Charleroi lads.

"Kid" West walked a mile against two young men and defeated them easily, showing he was in his regular form. Tonight Smallwood will run three and a half miles, while Charles Deitz will skate five miles. West will walk three miles against three local men.

Local skaters are taking to roller skating the same as they did a few years ago, when the rink was one of the most popular amusement places in the town.

SHOT AT IN AUTO

C. S. Van Voorhis and David Hosack Have Narrow Escape

Charles S. VanVoorhis, who accompanied by David Hosack, returned Saturday from a hunting trip in Fulton county in the formers' automobile, tells of an experience with gut men that wo had in the mountains near Shellboro, several miles distant from Ligonier. Mr. Van Voorhis and Mr. Hosack were bowling over the road at a good rate out about a mile and a half from Shellboro, when they were suddenly startled by the sound of two shots. Mr. Van Voorhis, who was driving the machine speeded up a trifle to get out of a dangerous locality, when two more shots rang out; and myriads of small shot struck the two men and the machine. It was a cold night and both men had heavy caps pulled over their heads. The shot struck but did not penetrate their heavy clothing. Hosack however was hit twice in the ear.

Mr. Van Voorhis turned the car about, after an investigation had been made and drove back to Shellboro to locate a constable, but nothing could be found of the men. He states that there were shadows of four men to be distinguished in the party. Whether it was intended as a holdup or not he does not know.

Chimney On Fire.

A chimney at the home of Rev. E. N. Duty at 403 Crest avenue burned out this morning, and fright caused by the sight of the flames from the top of the chimney caused a turning in of the fire alarm. The firemen, as happened, already knew what was the occasion of the alarm and did not report. No damage was done.

Cash vs. Credit

Question: Why should I pay cash at a co-operative store? My credit is good at the competitive stores.

Answer: We do not believe in the credit business. It is incompatible because, first, of its inequality. If you buy goods on time while others pay cash when purchaser is getting something for nothing. There are inevitable losses of a portion of the accounts when a credit business is done, and these losses must be added to the expense of operating the business and must be paid by those who pay cash.

Secondly, doing a credit business is unsafe; when once entered upon, the manager and clerks dislike to call a halt. The universal experience has been that more stores—both competitive and co-operative—went into bankruptcy on account of the credit business than any other one feature.

Thirdly, unless the manager can have the cash in hand for the goods passed out over the counter, he cannot take his cash discounts on new bills of goods bought to replace those sold.

A loss of these cash discounts is another injustice to those who pay cash; in addition to the losses of the actual cash discount, wholesalers often quote considerably cheaper price to stores which they know will pay cash than to those who are always behind in paying their bills. Thus a double loss is imposed upon the company and upon the members who invariably pay cash.

CHILDREN'S KIDNEYS

No Charleroi Mother Should Neglect the Little One's Health.

Oftentimes weak kidneys cause great annoyance and embarrassment to children. Inability to control the kidney secretions, at night or while at play, is attributed to carelessness and too frequently the child is punished. Parents having children troubled with kidney weakness would do well to treat the kidneys with a tested and proven kidney remedy. If there is pain in the back, discolored urine, irregular urination, headaches, dizzy spells or a tired, worn-out feeling, begin giving Doan's Kidney Pills at once. This remedy has been used in kidney troubles for over 75 years—it has cured and has been recommended by thousands. Proof in a Charleroi citizen's statement.

Mrs. Robert Coulter, 207 Prospect Avenue, Charleroi, Pa., says: "Some years ago my son contracted the measles and on recovering, I noticed that his kidneys were very weak. He had no control over the passage of the kidney secretions and this was especially annoying at night. I had often seen Doan's Kidney Pills highly advertised in the local papers and was finally induced to procure a supply at Piper Bros., Drug Store. I had my son use them according to direction and before long he was greatly benefited. He is still using Doan's Kidney Pills and I am certain that a complete cure will soon be effected."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

WORK IS HELD UP

Repairing of Belle Vernon Bridge Moving Along Slowly

Work has been proceeding slowly on the repairing of the Belle Vernon and Speers free bridge, partly from lack of a sufficient force of men and partly because of poor conditions. The Speers ends is ready for the filling in. On the Belle Vernon end is where the big snag was stuck. When the bridge was built some 17 years or more ago it is said that several feet of ground was confiscated from property of Abraham Culler.

When the contractor repairing the bridge started to widen the approach, J. B. Culler objected. For ground that was needed he asked \$1,500. The county commissioners demurred, but agreed to pay \$500. Culler dropped \$300, landing at \$1,200, with still no results. Finally the commissioners of the two counties managed to strike a bargain with him at \$1,000. Work is now proceeding on the widening of the approach.

Belle Vernon people claim that the bridge was closed before it was necessary to close it, and that it will not likely be put into use before spring, if then.

MEETINGS GROW IN INTEREST

The evangelistic meetings in charge of Evangelist F. A. Bright, now in progress at the First Christian church, grow in interest as they progress. A large congregation was in attendance last night, at which there were three accessions to the church, making 18 since the beginning of the meetings on November 17. Rev. Bright preached a powerful and convincing sermon on "The Prodigal Son," and his topic tonight will be "What Shall I Do to Be Saved." On Thanksgiving night the services will commence at 7 o'clock in the evening, in order to give the congregation an opportunity to attend the union Thanksgiving services later in the M. E. church.

Churches Back Movement.
That the churches of Monongahela will stand behind the ordinance officer in the enforcement of the Sunday observance laws was fully demonstrated Sunday, when a raising vote was taken in the evangelical churches of the city on the matter. There was practically an unanimity of sentiment among the church goers for the better protection of the Sabbath.

They were Misses Elsie and Florence Crill, Miss Ina Kline, Miss Blanche Frye, of Charleroi; Mrs. Charley Fortney, of North Charleroi; and Miss Mabel Colvin, of Monongahela. Beautiful floral tributes were sent by loving friends.

BOYS SET FIRE TO LARGE WOODS

Boys chasing around through the woods Sunday set fire to a wood lot on the Rodgers farm near town which burned over about two acres, destroying several rods of rail fence, and damaging a large number of small second growth forest trees that had got ten or fifteen years growth. John S. Rodgers states that it took hard work until after midnight after the fire was discovered to beat it out, and that as the parties are known he proposes to place the matter in the hands of the state constabulary in order to secure protection to his property.

ESCAPES FROM THE HOSPITAL

Crazed With Pain Donora Boy Gets Away And Can-not Be Found

Search is being made for 16-year old Mike Hosack, who is thought to be wandering about over the hills somewhere, or else lying dead in some out of way spot. The lad was taken to the Memorial Hospital, at Monongahela, from his home in Donora several days ago, his thumb and two fingers of his right hand severed. While at the hospital he mentally gave way, and he escaped Saturday night. Since then he has not been seen. Meanwhile his parents, Mr. and Mrs. Theodore Hosack are frantically searching for him, having invoked the aid of the police in many places. The boy is described as being of the ordinary size of a lad of his age. He has dark hair.

Light refreshments will be served and the public is cordially invited to attend. No admission is charged.

WAS POPULAR AS EDUCATOR

Deserved Compliment Paid to the Late John A. Snodgrass

The death of Prof. J. A. Snodgrass, former principal of the Charleroi schools at his home in Pittsburgh on Monday has caused profound regret among his friends in Charleroi. Several floral tributes have been sent from here, among them one by the Charleroi High School Alumni. The funeral services will be held at the home tonight, and the body will be taken Wednesday to West Middleton, where interment will be made.

Prof. S. L. Heeter, superintendent of the city schools, expressed profound regret upon learning of the death of Prof. Snodgrass.

"I had known Prof. Snodgrass only since coming to Pittsburgh within the last year," said Prof. Heeter, "but in that short period had conceived a high regard for his abilities as an educator. His death is a matter of deep regret to all who knew him."

Prof. Heeter this morning ordered the Luckey schools closed for two days out of respect for Prof. Snodgrass.

LOCAL GIRL BRIDE OF DONORA MAN

Miss A. Nell Jones, daughter of Mr. and Mrs. William H. Jones of 410 Tenth street, was married in Pittsburgh Monday to Harry J. Richmond, of Donora. The affair came as a surprise to the friends of the couple. Miss Jones left on a morning train for Pittsburgh Monday, ostensibly on a shopping tour. It seems she was met at Donora by Mr. Richmond, and they proceeded to the home of Rev. H. J. Giles, pastor of the West End M. E. church, at Pittsburgh, where they were married. Announcements of the wedding were issued this morning by the bride's parents. Mr. and Mrs. Richmond will live in Donora.

FOUR-YEAR-OLD IS VICTIM OPEN GRATE

The four-year old daughter of Mr. and Mrs. Nelson Jackson, colored of McMahon borough was burned to death Monday. She was left alone by her mother in a room. Her dress took fire at an open grate and before the blaze could be extinguished she had received her death injuries.

AN EXPLANATION.

I wish to explain to the public of Charleroi and vicinity just why we are not showing the three reel film entitled "Tracked By Wireless" on Thanksgiving day as advertised and intended as our bookings called for. But rather than enter a suit for damages with The Feature Film Company we made an agreeable settlement being allowed damages for our advertising and by them securing us a superior show, consisting of a three reel Kay Bee entitled "On Secret Service" with other pictures and the "Drummer Boy of Shiloh" which we positively guarantee to be a far superior show than "Tracked By Wireless" would have been. Hoping to disappoint no one, you will find us at the Star Theatre Thanksgiving day and night with a continuous performance from 10 a. m. to 10:45 p. m. Regular admission of 5 cents. Tom B. Cowan, Manager. 107-t1

Prepare For Tea Party

Everything is in readiness for the annual Thanksgiving Eve Tea Party of St. Jerome's church tomorrow night, which has been a leading event in church circles for a number of years at this season. The supper will be served in Turner Hall from 5 to 8 o'clock, and the committee announces that no baskets will be given out after 5 o'clock. The euchre to be held in connection will begin at 8:30 and continue until 11 in the parlors of the Turn Verein club house. Dancing, which is included in the tickets of admission will take place at Might's auditorium on Fifth street, and will be continued from 5 to 8 o'clock. Notwithstanding the high price of turkeys the committee has secured an ample supply, and the supper will be a most sumptuous affair.

The Lyceum Club of St. Jerome's church will also give a dance in Might's Auditorium Thanksgiving afternoon and evening. Wheeler's orchestra will officiate at both dances, Thanksgiving eve, and Thanksgiving afternoon and evening.

PARALYTIC DOES MUCH TRAVELING

William W. Gaff, a young man suffering from rheumatic paralysis and unable to use his lower limbs and right arm is a visitor in Charleroi. He came from Monessen in his wheel chair, with which he has covered 25,000 miles during the past five years. He is selling post cards and souvenirs in an effort to collect money to go to Germany for medical treatment, where he believes he may be cured of the affliction which makes him a cripple. He lives in Toledo, O.

Notwithstanding his affliction, Gaff has a most jovial disposition and is an interesting talker. He has visited many states in the union in his wheel chair journeys, and has had many interesting experiences. He expects to remain in town until after Thanksgiving.

SMALLWOOD RUNS AGAINST TWO MEN

Another large crowd saw Percy Smallwood defeat Carl McGuire and Charles Lowstutter Monday evening at the Charleroi Skating rink in a one-mile relay race. Smallwood showed perfect form. The time was 4:58. The race caused lots of excitement, enthusing the big crowd present, on account of Smallwood running in an opposite direction to the two Charleroi lads.

"Kid" West walked a mile against two young men and defeated them easily, showing he was in his regular form. Tonight Smallwood will run three and a half miles, while Charles Deitz will skate five mile. West will walk three miles against three local men.

Local skaters are taking to roller skating the same as they did a few years ago, when the rink was one of the most popular amusement places in the town.

SHOT AT IN AUTO

C. S. Van Voorhis and David Hosack Have Narrow Escape

Charles S. VanVoorhis, who accompanied by David Hosack, returned Saturday from a hunting trip in Fulton county in the formers' automobile, tells of an experience without men that he had in the mountainous region of the Allegheny mountains distant from Ligonier. Mr. Van Voorhis and Mr. Hosack were bowling over the road at a good rate out about a mile and a half from Shellsboro, when they were suddenly startled by the sound of two shots. Mr. Van Voorhis, who was driving the machine speeded up a trifle to get out of a dangerous locality, when two more shots rang out; and myriads of small shot struck the two men and the machine. It was a cold night and both men had heavy caps pulled over their heads. The shot struck but did not penetrate their heavy clothing. Hosack however was hit twice in the ear.

Mr. Van Voorhis turned the car about, after an investigation had been made and drove back to Shellsboro to locate a constable, but nothing could be found of the men. He states that there were shadows of four men to be distinguished in the party. Whether it was intended as a holdup or not he does not know.

Chimney On Fire.

A chimney at the home of Rev. E. N. Duty at 403 Crest avenue burned out this morning, and fright caused by the sight of the flames from the top of the chimney caused a turning in of the fire alarm. The firemen, as happened, already knew what was the occasion of the alarm and did not report. No damage was done.

Cash vs. Credit

Question: Why should I pay cash at a co-operative store? My credit is good at the competitive stores.

Answer: We do not believe in the credit business. It is incompatible because, first, of its inequality. If some buy goods on time while others pay cash when purchaser is getting something for nothing. There are inevitable losses of a portion of the accounts when a credit business is done, and these losses must be added to the expense of operating the business and must be paid by those who pay cash.

Secondly, doing a credit business is unsafe; when once entered upon, the manager and clerks dislike to call a halt. The universal experience has been that more stores—both competitive and co-operative—went into bankruptcy on account of the credit business than any other one feature.

Thirdly, unless the manager can have the cash in hand for the goods passed over the counter, he cannot take his cash discounts on new bills of goods bought to replace those sold.

A loss of these cash discounts is another injustice to those who pay cash; in addition to the losses of the actual cash discount, wholesalers often quote considerably cheaper price to stores which they know will pay cash than to those who are always behind in paying their bills. Thus a double loss is imposed upon the company and upon the members who invariably pay cash.

CHILDREN'S KIDNEYS

No Charleroi Mother Should Neglect the Little One's Health.

Oftentimes weak kidneys cause great annoyance and embarrassment to children. Inability to control the kidney secretions, at night or while at play, is attributed to carelessness and too frequently the child is punished. Parents having children troubled with kidney weakness would do well to treat the kidneys with a tested and proven kidney remedy. If there is pain in the back, discolored urine, irregular urination, headaches, dizzy spells or a tired, worn-out feeling, begin giving Doan's Kidney Pills at once. This remedy has been used in kidney troubles for over 75 years—it has cured and has been recommended by thousands. Proof in a Charleroi citizen's statement.

Mrs. Robert Coulter, 207 Prospect Avenue, Charleroi, Pa., says: "Some years ago my son contracted the measles and on recovering, I noticed that his kidneys were very weak. He had no control over the passage of the kidney secretions and this was especially annoying at night. I had often seen Doan's Kidney Pills highly advertised in the local papers and was finally induced to procure a supply at Piper Bros., Drug Store. I had my son use them according to direction and before long he was greatly benefited. He is still using Doan's Kidney Pills and I am certain that a complete cure will soon be effected."

If you were lucky enough to see Mabel Taliaferro as "Lovey Mary" in "Mrs. Wiggs of the Cabbage Patch" it is safe to say that you have not forgotten her sweetness and charm. Read this letter recently written by Miss Taliaferro to the makers of Red Cross Shoes.

The Krohn-Fechheimer Co.
Cincinnati, O.

Gentlemen—

Will you have the kindness to send me the names of dealers who carry Red Cross Shoes in the towns shown on the enclosed list? I quite often have to buy shoes while I am out on the road, and since I learned what Red Cross Comfort means I hate to think of putting on an ordinary stiff sole shoe.

Yours very truly,
(Signed) Mabel Taliaferro.

When you have once worn a Red Cross Shoe, then you too will wonder how you ever endured the rubbing, the binding and burning, the irritating stiffness of the ordinary sole.

Come in today and try on the new Fall models.

J. J. BEERENS, 513 Fallowfield Ave.
